TED ABOUT TED

TED is a nonprofit organisation devoted to Ideas Worth Spreading, usually in the form of short, powerful talks (18 minutes or fewer) delivered by today's leading thinkers and doers. Many of these talks are given at TED's annual conference in Vancouver, British Columbia, and made available, free, on [TED.com](#). TED speakers have included Bill Gates, Jane Goodall, Elizabeth Gilbert, Sir Richard Branson, Nandan Nilekani, Philippe Starck, Ngozi Okonjo-Iweala, Sal Khan and Daniel Kahneman.

BE PART OF SOMETHING THAT CHANGES LIVES!

In the spirit of ideas worth spreading, TEDx is a program of local, self-organised events that bring people together to share a TED-like experience. At a TEDx event, TED Talks video and live speakers combine to spark deep discussion and connection.

These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized.
(Subject to certain rules and regulations.)

Our goal is to bring together bright minds to give talks that are idea-focused, and test your ideas a wide range of subjects, to foster learning, inspiration and wonder – and provoke conversations that matter.
